Attachments: Directions to Linden.doc

Directions to the site are attached. Do NOT put the address into your GPS - you will end up across town. If you have any questions while on the road just call one of our numbers and we will talk you in - we do it all the time.

Meeting room is three flights up - no elevator - travel light.

Dress is definitely casual.

If you want to get out of your car at LCP you should have steel toed boots and boot covers are a good idea. For safety purposes no one is allowed in the buildings at LCP. May also want to bring along some bug spray. Anyone on the site should be OSHA 40 hour.

Let me know if you have any additional questions. We anticipate circulating a draft agenda within the next few days. Feel free to add to it.

Thanks,
Carrie

Jon

10 AM is fine. Directions and an address for a GPS would be good. Also, what type of health and safety equipment do we need.

We would also like to see the agenda.

Anne

Hi Anne, how is 10am for the meeting start time? Let me know if you need directions, and i'll forward them along.

Also, the PRPs will provide an agenda once it's written.

jon

Directions to ISP Environmental Services Inc. Site, Linden, NJ

4000 Road to Grasselli

Linden, NJ 07036

From New Jersey Turnpike:

Exit the Turnpike at Exit 13, stay to the right, pay toll, and follow signs for Route 1 South/Linden. There is about a $\frac{3}{4}$ to 1 mile wide open access road after the sign and prior to actually getting on to Route 1 – this access road partially circles the Bayway Refinery. Stay on Route 1 south to the 4th traffic light – South Wood Avenue. Make a left onto South Wood Avenue (there is an Exxon Station and Shell Station on opposite corners of the intersection). Stay on South Wood Avenue for 1 $\frac{1}{2}$ to 2 miles, follow bridge over New Jersey Turnpike then make 1st left immediately after the bridge. Follow the curved road to the ISP entrance (on right side). Pass through gate past guard house, go left of the truck scale and follow road curving left over RR tracks to building.

Alternate Turnpike Directions:

Exit the Turnpike at Exit 12, make a right at Roosevelt Avenue (later becomes Randolph Avenue) and continue to the end. Make a right and continue about $\frac{1}{4}$ to $\frac{1}{2}$ mile – follow signs to enter Route 1 North. Continue on Route 1 North – pass Home Depot on right. At the 2nd traffic light turn right on South Wood Avenue (Shell Station on the corner) – then follow directions above.

From Route 287:

Take Route 287 South to Route 1 North. Continue several miles north on Route 1, you will pass Merck (Rahway facility) on your left, continue into Linden – you will pass Home Depot on the right – at the second light turn right on to South Wood Avenue (Shell Station on the corner) – then follow directions above.
